

Apprentice Trails Guide Syllabus

1. FGASA APPRENTICE TRAILS GUIDE COURSE (*BACK-UP TRAILS*) **

*** In order to gain the FGASA Apprentice Trails Guide Qualification you need to have a valid First Aid, NQF2 Nature Site Guide (FGASA) qualification and Advanced Rifle Handling (ARH). If you don't have that, you can still participate in the whole course and get the full experience, but you can't get the actual qualification.*

2. FGASA APPRENTICE TRAILS GUIDE SYLLABUS

A FGASA Apprentice Trails Guide is an individual who is in training (in an apprentice program) to become a Trails Guide and will learn how to function as 2nd Rifle and later as 1st Rifle during the training phase. The apprentice program is a stepping stone in the process for a guide to attain a FGASA Trails Guide qualification and is not yet qualified to conduct trails or walks in areas with dangerous game in absence of a FGASA Trails Guide (NQF4), Professional Trails Guide, or SKS (DG) Guide.
