PACK LIST

Please note that many of these items can be purchased in the nearby town.

- Appropriate clothing for summer conditions (T-shirts, sandals, raincoat, shorts)
- Appropriate clothing for winter conditions (warm items, winter jacket, gloves, beanie)
- Neutral coloured clothing for game drives/walks. Shirts must be collared (khaki, brown, grey, beige, green; no pinks, blues, or other bright colours). Two uniform shirts are provided
- Comfortable hiking boots (ideally waterproof or bring an additional pair for the rainy season)
- Cap or hat
- Sunglasses, sunscreen
- Binoculars, a decent pair is highly recommended (from 8x32 to 10x42)
- Torch and/or headlamp
- Lip ice, moisturiser, insect repellent
- Backpack (daypack)
- Water bottle, ideally CamelBak or water bladder which fits into daypack (at least 2 litres)
- Normal belt (to attach ammunition-pouch)
- Fully sealed box for snacks (for inside your tent, to avoid attracting animals – this can be bought after arrival)
- Sleeping bag/sleeping mat (for sleep-outs and winter conditions). We provide summer duvet, linen, and pillow
- Hot water bottle for winter
- Camera/video camera, laptop (optional)
- Adaptors, chargers, spare batteries (torch, camera, cell phone)
- Headphones (so you can listen to music without disturbing others)/hard drive (with movies?), Bluetooth speaker (all not compulsory)
- Stationery (A4 notepads, small notepad, pens)
- Leisure items, i.e. deck of cards, dice, frisbee, juggling balls or anything else for downtime
- Towels, toiletries
- Snacks, cigarettes, personal medication, pocket money (next ATM is located in Thabazimbi, approximately 60 minutes away)
- Proof of medical aid and insurance for personal liability (student-to-student). Doctor's note (i.e. in case of dyslexia we can arrange an oral exam)
- Positive attitude (tolerance, empathy, eagerness to learn, respect for others)

Safe parking available should you bring your own vehicle. A camp safe is available for small valuables.
